

INSTRUCTIONS:

1. Print out beak on regular 8.5x11 paper
2. Cut along the dotted line and fold all solid lines(do not cut solid lines)
3. Bring the two sides together to make a beak shape and attach the loose flaps to the underside of the corresponding side of the beak with tape or glue
4. Poke out any of the designated holes and use dental floss/string/ribbon to tie a strap for your head.

5. Become a **VULTURE**

After the beak is done, take a picture of yourself wearing the beak.
Then print/develop the picture and hang it somewhere...ANYWHERE.
The more public the better.
And for added fun, take a picture of the picture hanging and send it to Run Doris Run
via email/mail/fax/pony express/morse code/ or just hand it to us!
